

Pattern No. 5867.-To the women who take pleasure in fashioning their own underwear, this design will appeal at once because of its dainty simplicity. It is most easily and quickly made, being cut in one piece. The neck and armholes are finished by a narrow frill of valenciennes lace, and ribbon run through beading adjusts the fullness. At the waist line the fullness is held in place by a tape inserted in a casing. If preferred hand embroidery may take the place of the lace and beading. Button-holed scallops with a row of eyelets below being a very pretty mode of decoration. Lawn, nainsook and handkerchief linen are all good materials for the making. For a 36 inches bust measure one and one-eighth yards of 36-inch material will be needed. Sizes for 32, 34, 36, 38, 40 and 42 inches bust measure.

This pattern will be sent to you on receipt of 10 cents. Address all orders to the Pattern Department of this paper. Be sure to give size and number of pat-tern wanted. For convenience, write your order on the following coupon:

The Captain's Answer.

There was a little girl crossing the ocean last summer who was given to asking many idle questions. The captain of the steamer on which she sailed was a gruff old fellow who did not like to be interviewed unnecessarily. One day, when it was quite rough, the little girl spied the captain, OATS—No. 2 mixed.

"Oh, captain, do tell me, is it always as rough here as it is now?" . He looked at her for a moment, then said calmly:

"I am not always here. I think God alone could answer that question."

Lightning Rods Wouldn't Work When They Didn't Show.

In the days when all the world swore by lightning rods, a farmer had two costly ones put upon the new barn. But only a week or two later there came a violent thunderstorm, the barn was struck, and in a few heap of charred black refuse.

Next day the farmer sought out the lightning rod agent. "Fine lightning rod you sold me!" he shouted. "Here's my new barn

The Way to Win.

Richard Canfield has abandoned Saratoga. He says there are no longer any spenders there, and it is impossible to make the famous Saratoga club pay.

"I liked Saratoga," he said gloomily the other day. "I made my clubhouse and grounds one of the show places of America. But of course, it had to pay. Everything must pay-at least in this country. Everything, in the end, comes down to a question of money.

Inexpensive Mixture of Harmless Vegetable Ingredients Said to Overcome Kidney and Bladder Trouble Promptly.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe; try it:

Fluid Extract Daudelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime

A well-known physician is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause the afflictions. Try it if you aren't well. Save the prescription.

Stretching Rings.

A jeweler in Third avenue, New York city, advertises "Wedding rings purchased here will be stretched to any size without extra cost." His enterprise is based on a knowledge of human frailty. "The girl often hap-pens to balk," he says, "and the fellow gets it in the neck. The ring for that intended may not fit the finger of the next intended; so I stretch it for nothing. I have stretched rings as many as five times for one man." Why not use rubber rings?

Hospital Story-Telling. It is curious that philanthropists in search of a novel means of doing good do not engage reciters and storytellers to visit hospitals and amuse the patients. A rich man in New mushrooms in the Rhine country, and York engaged Marshall P. Wilder, the all are built substantially. There is a diminutive entertainer, who has given pleasure in nearly every city, to visit regularly certain hospitals in New York. Mr. Wilder was welcomed enthusiastically by the convalescent patients, and his merry stories did them good.

Get Saturated with Caffeine.

When a person has used coffee for a number of years and gradually declined in health, it is time the coffee should be left off in order to see whether or not it has been the cause of the trouble.

Baw It Come Out of a Cow. A little city boy and his sister

Dorothy were taken to the country for the first time.

The two children were happy as the day was long. In the late afternoon they watched the cows come home, heard with delight the tinkling cowbells, and the little boy even went to the barns to see the milking done. At supper, just as Dorothy was lifting her glass to her rosy lips, the boy

cried out: "Oh, Dotty, don't! You musn't drink that milk. It's not fit to drink. It came out of a cow; I saw it."
